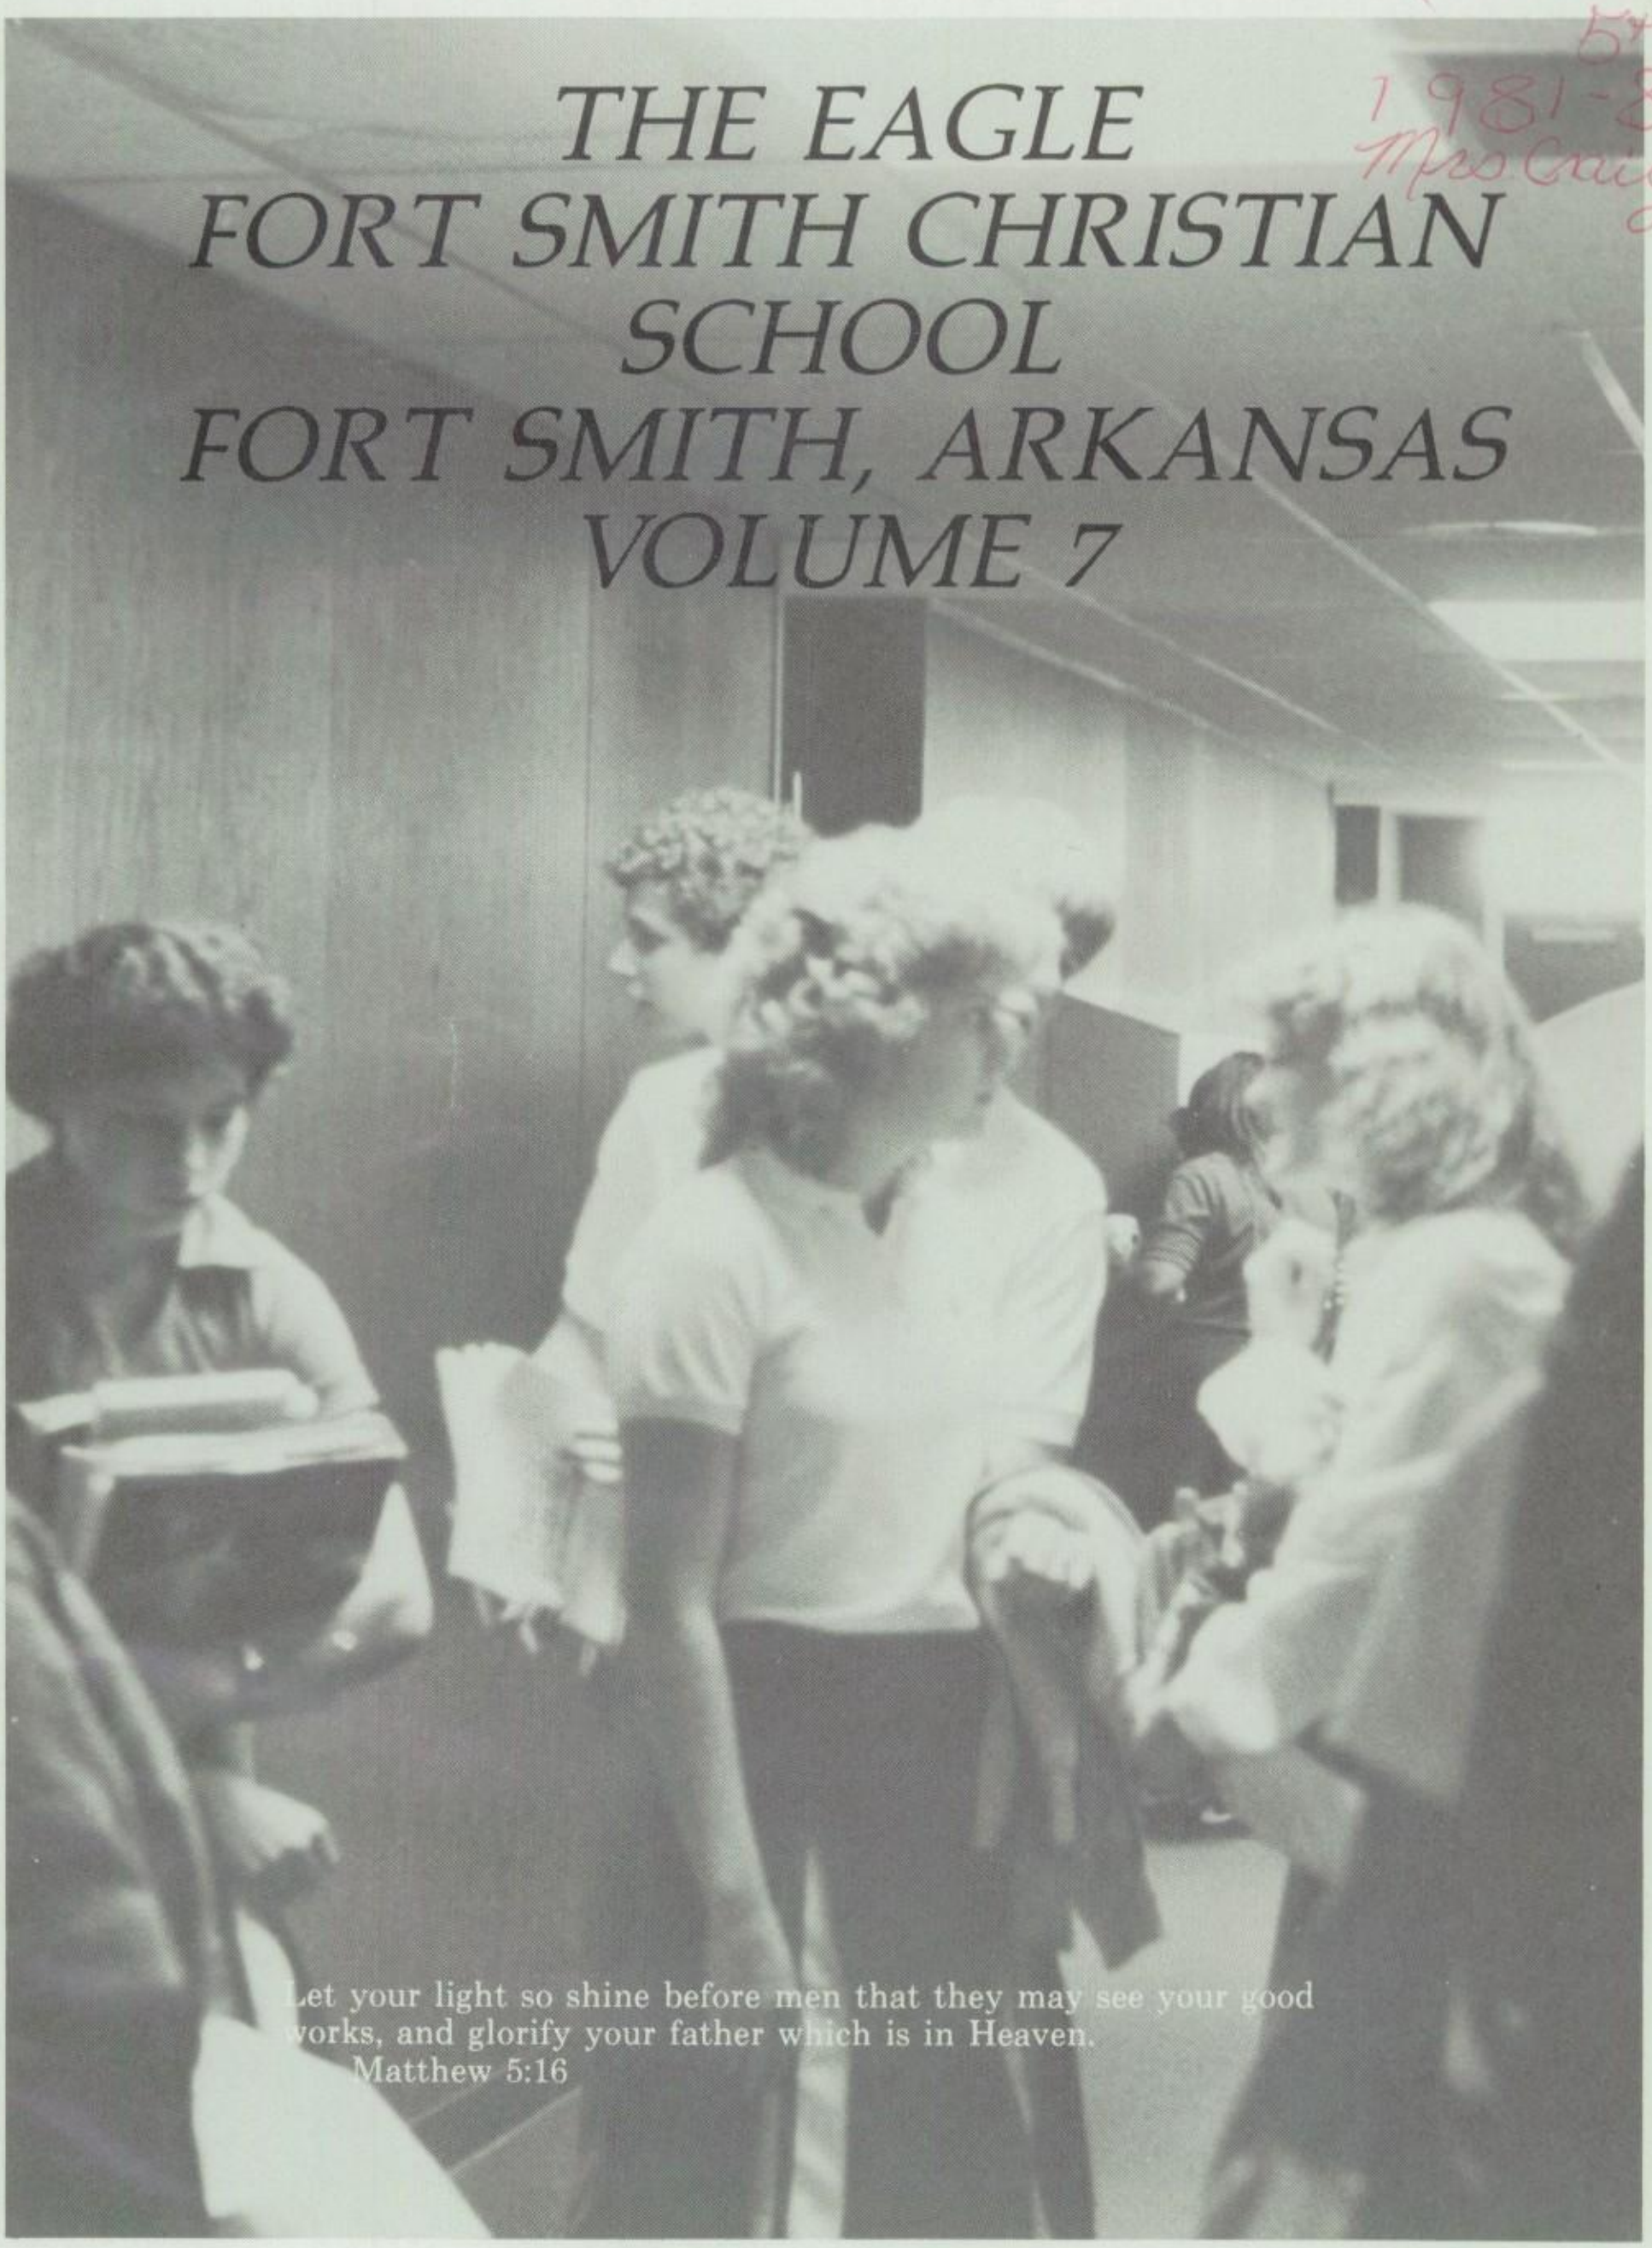
VOLUME 7



Let your light so shine before men that they may see your good works, and glorify your father which is in Heaven.
Matthew 5:16

THE HEART OF THE MATTER IS . . .

1) when we, in faith, believe the unbelievable.

2) how we act when no one is watching.

3) why we forgive the unforgiveable.

4) whom we cry to in times of crisis . . .

Jesus

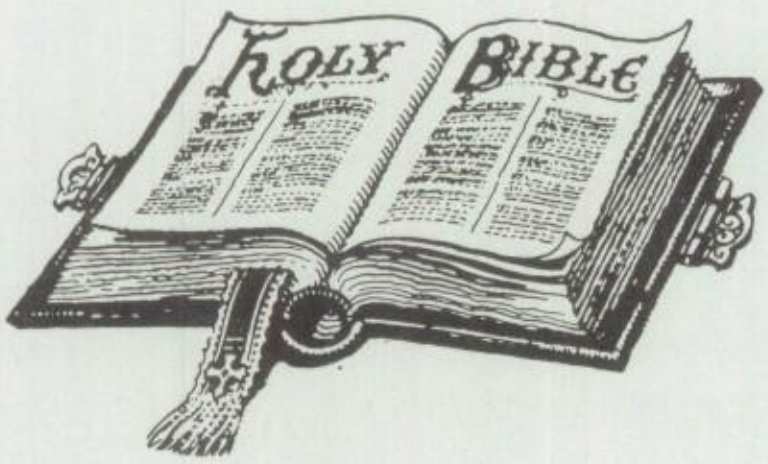
BILL SUTTON: *Pastor*

Feed the flock of God which is among you, taking the oversight thereof, not by constraint, but willingly, not for filthy lucre, but of a ready mind; Neither as being lords over God's heritage, but being ensamples to the flock.

1 Peter 5:2-3



MIKE LINDSEY: *Administrator*

Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy and not with grief: for that is unprofitable for you.

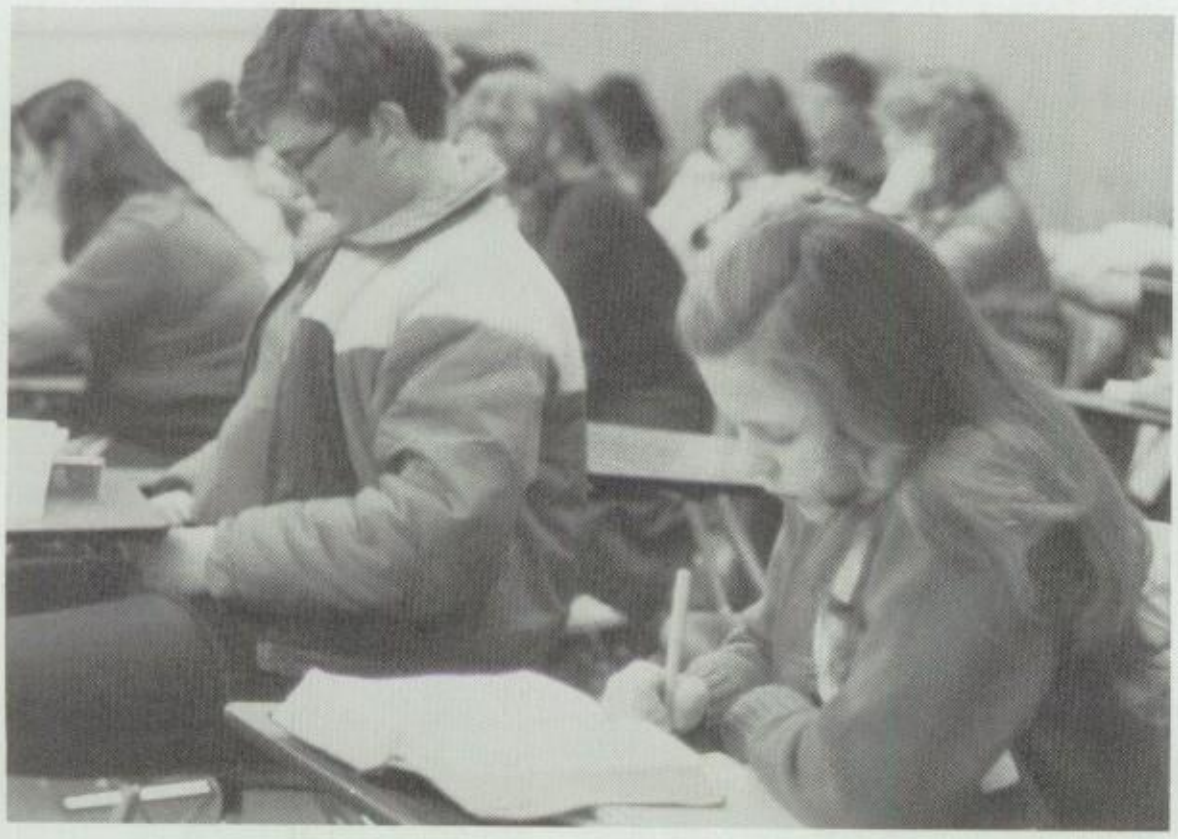
CLASSES

BIBLE

This year the 7th grade studied the life of Christ; the 8th grade studied the Old Testament; the 10th grade studied the epistles of Paul; and the 11th and 12th studied the book of Revelation.

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, throughly furnished unto all good works."
2 Timothy 3:16-17

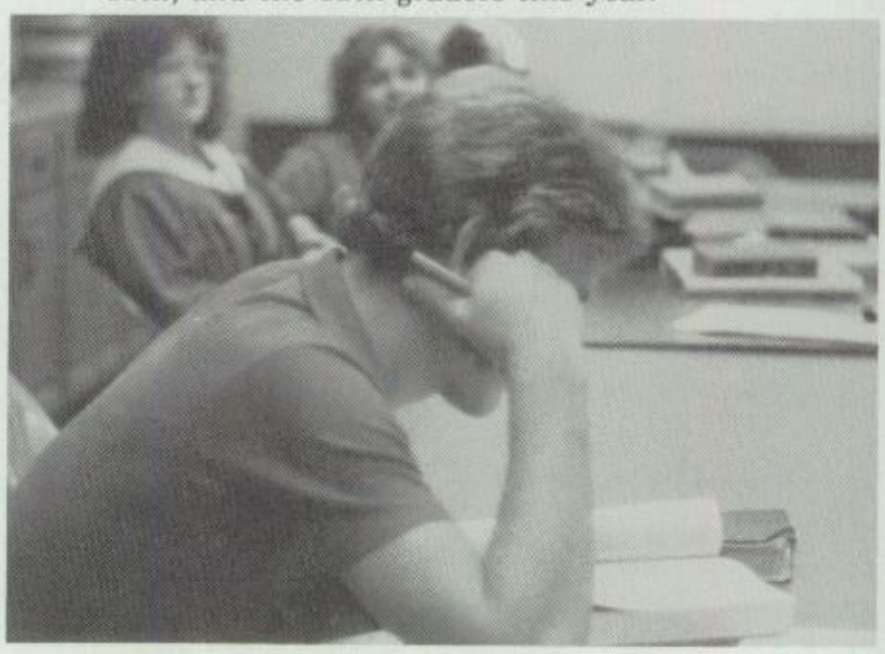
Jerry's studies makes him oblivious to the camera.



One requirement to study Bible is to have a Bible.

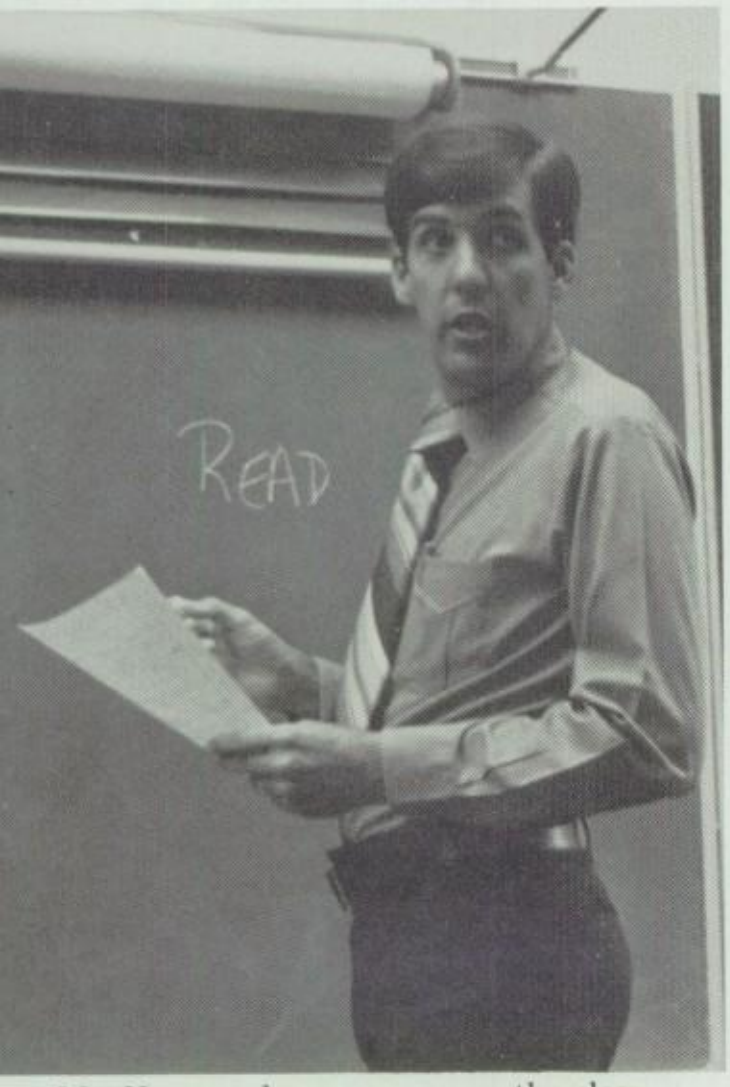
Mr. Steve Munson taught Bible to the 7th, 11th, and the 12th graders this year.

Right: Michele checks her answers in her workbook. Far Right: Bill uses the last few minutes of class to finish his work.

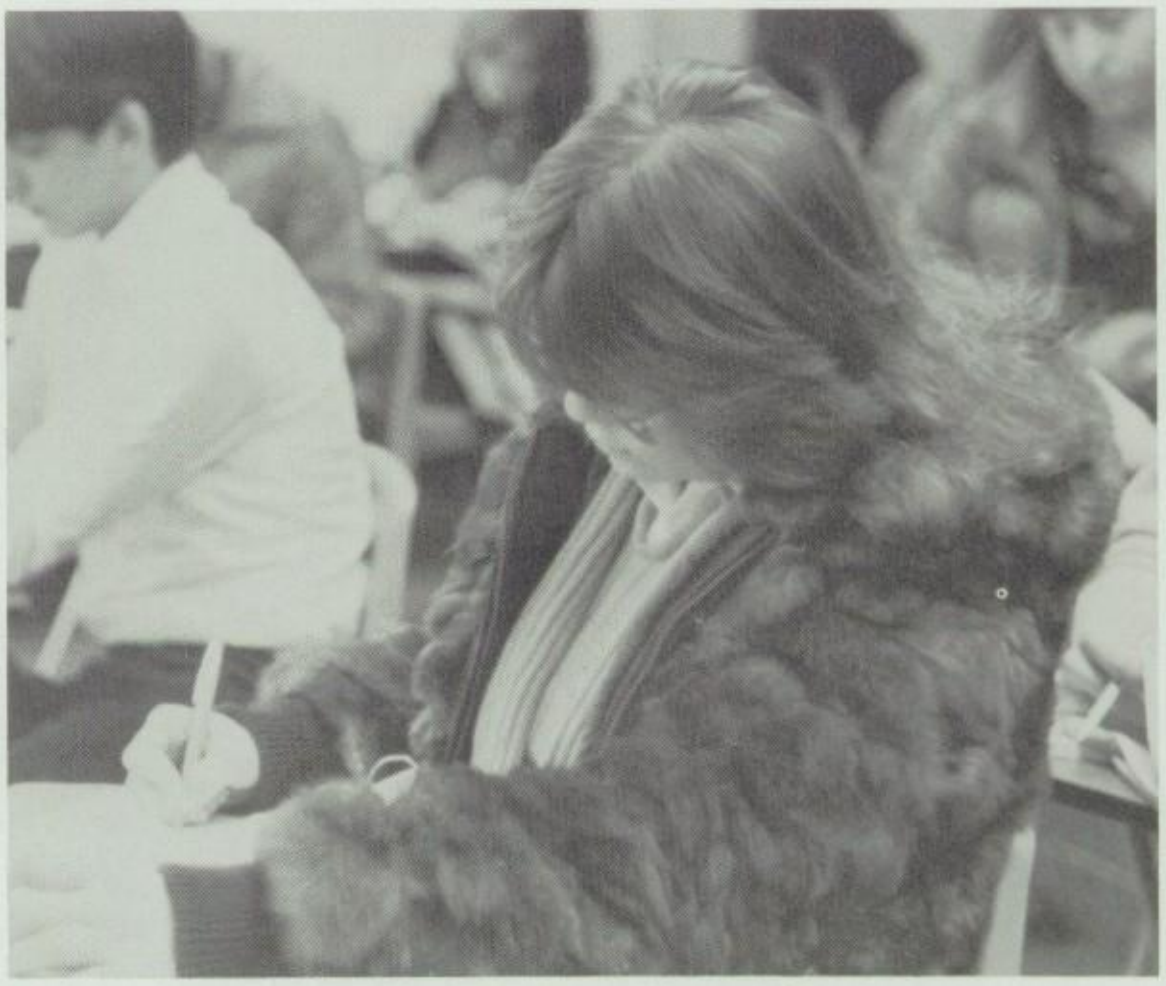


HISTORY

"That which hath been is now; and that which is to be hath already been; and God requireth that which is past." Ecclesiastes 3:15

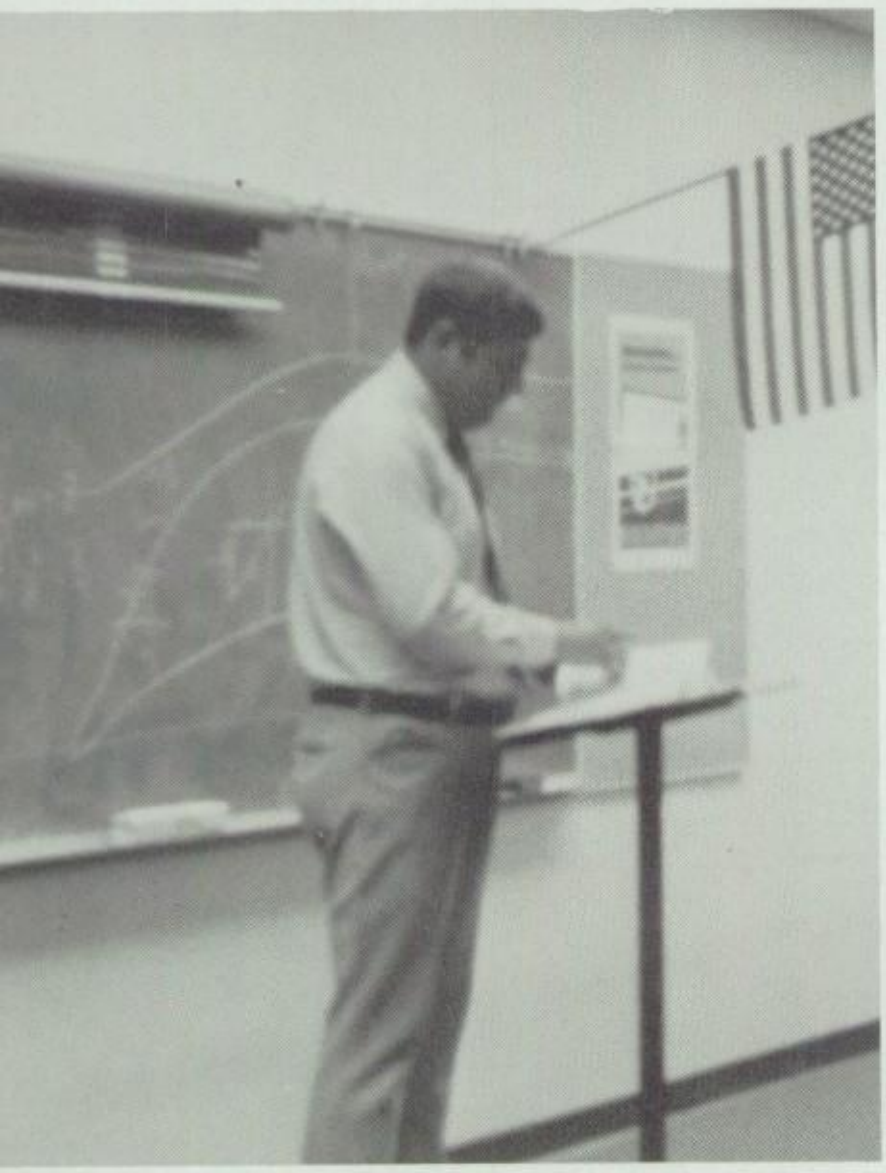


Mr. Vennum keeps an eye on the class while writing assignments on the board.



Melanie works hard to finish her homework.

Kim finds that history requires alot of writing.



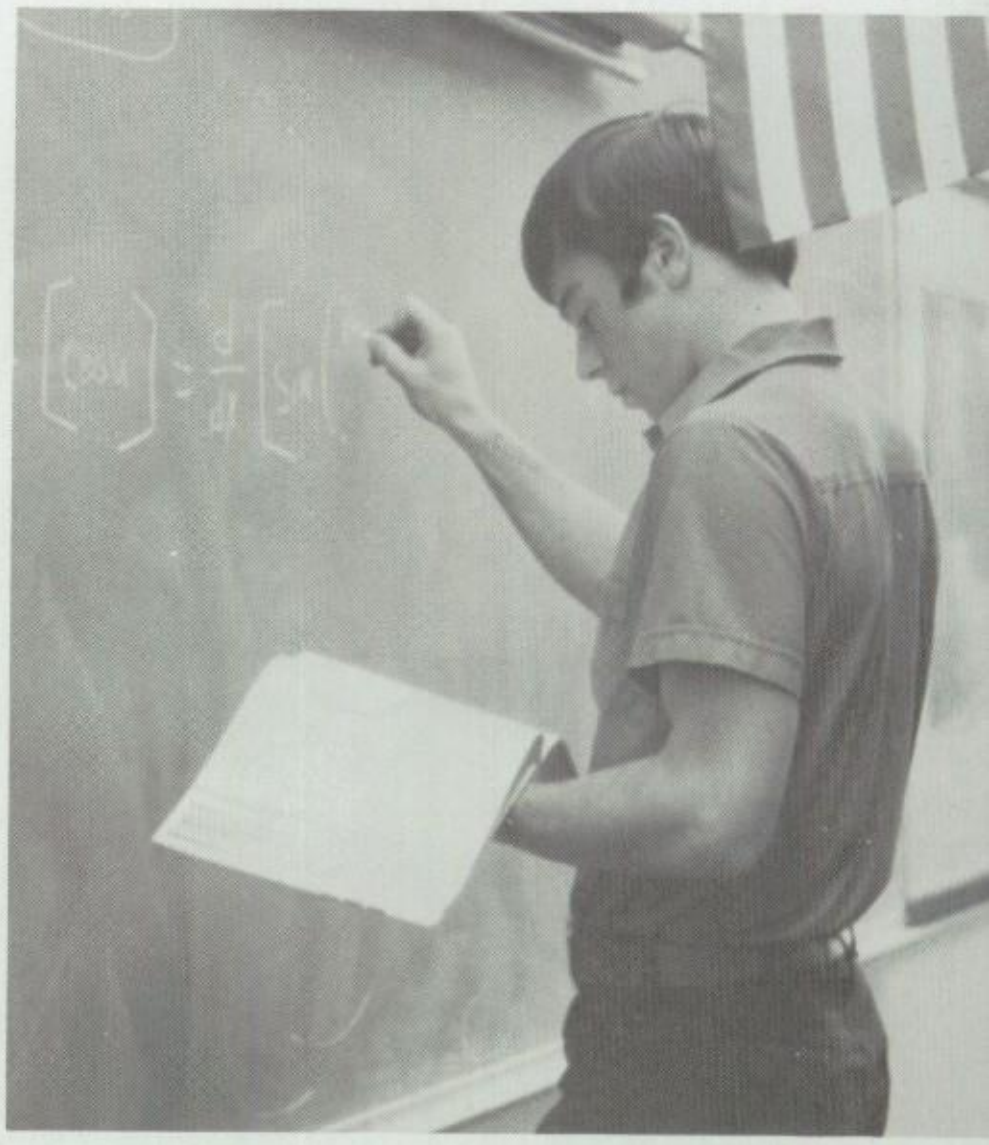
Coach McClure assigns homework for the day.

Kevin searches diligently for the answer.

MATHEMATICS

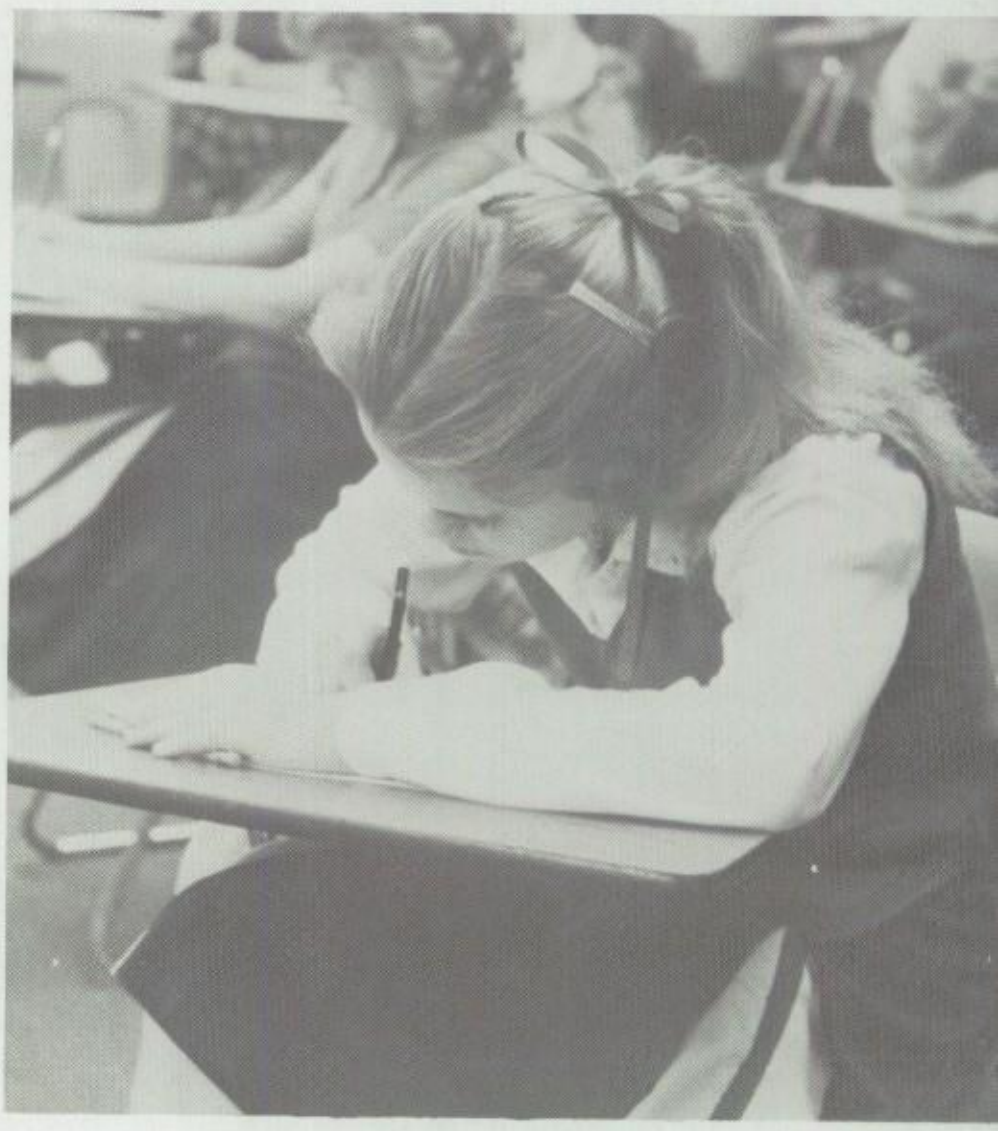
"So teach us to number our days, that we may apply our hearts unto wisdom." Psalm 90:12

This year's math classes include seventh grade math, eighth grade math, Algebra 1, geometry, and trigonometry. Trigonometry, a new course this year, is based on elementary algebra and geometry. Emphasis is placed on circular and triangular functions. A detailed discussion of vectors and complex numbers is also discussed.



Greg shows off for the photographer.

Mike shows what it takes to be a good student.

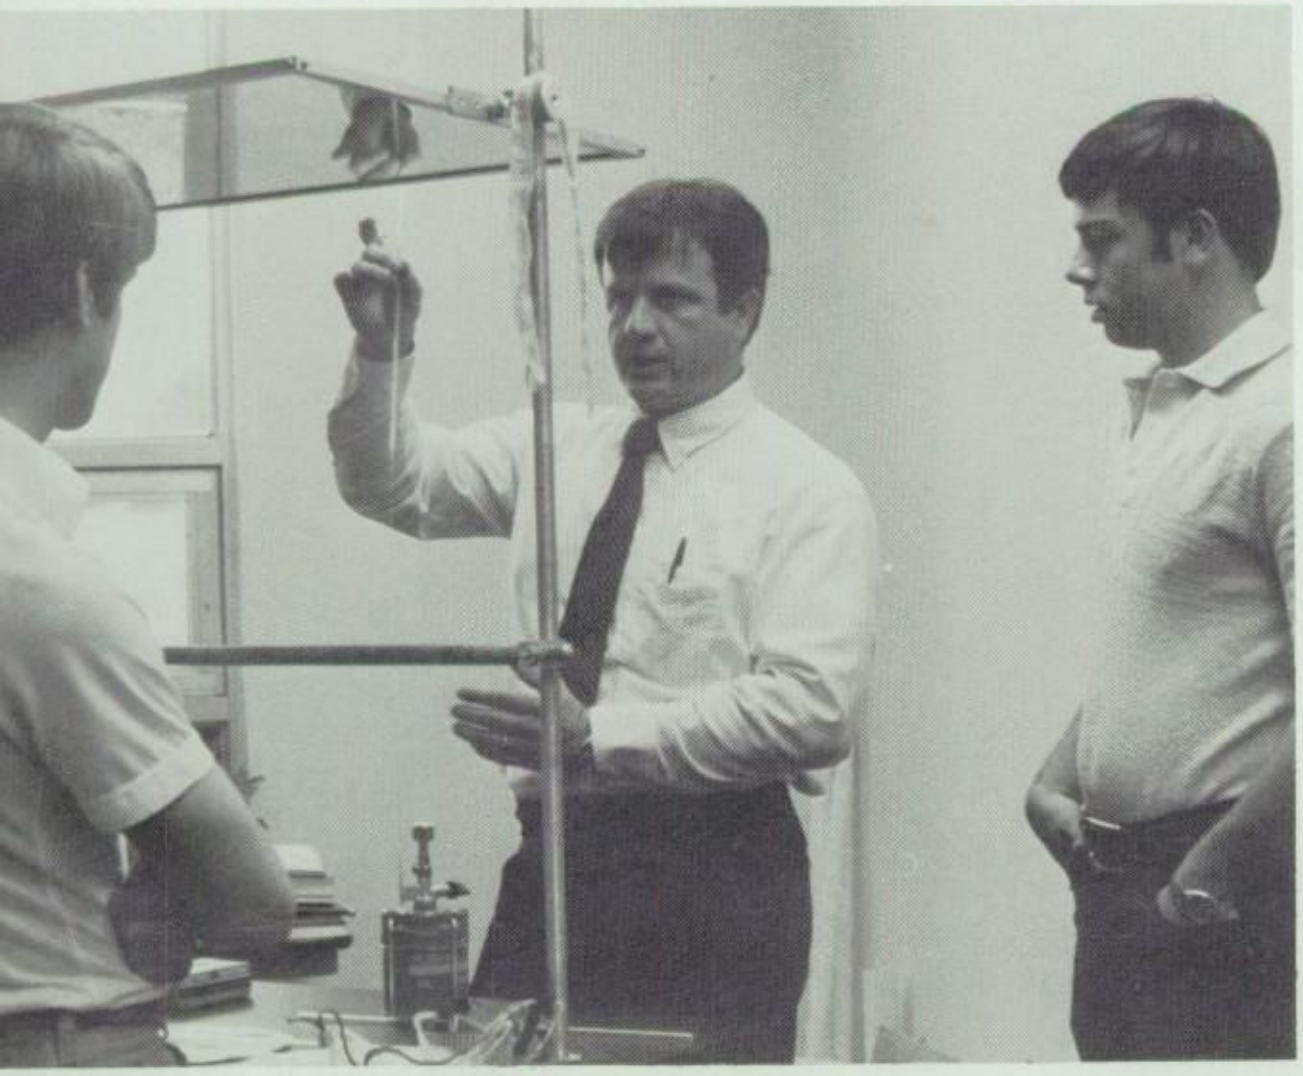


Cynthia Wells, a new student, learned "the ropes" quickly.

SCIENCE

This year there has been a new class added to the science curriculum — chemistry. This course included the study of basic chemistry concepts, including elements, formulas, metric usage, terms, basic mathmatical applications, laboratory safety techniques, and the use of instruments.

Lee Ann and Nelson were two of the students in this year's chemistry class.



Mr. Besancon shows that experiments are pretty much a part of chemistry.

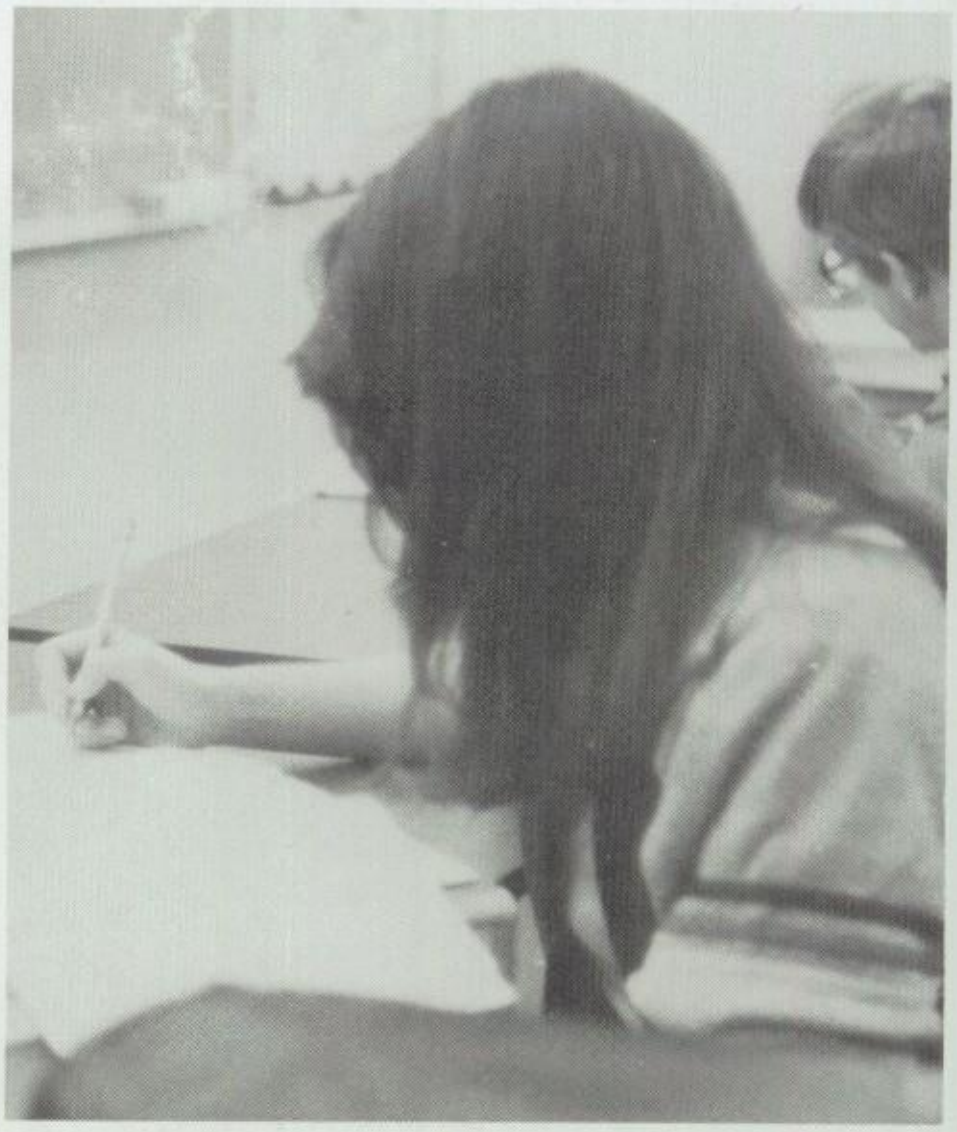
"The Heavens declare the glory of God; and the firmament sheweth his handywork." Psalms 19:1

Aprons and goggles are part of the standard protective equipment used in science to protect the innocent people from students.

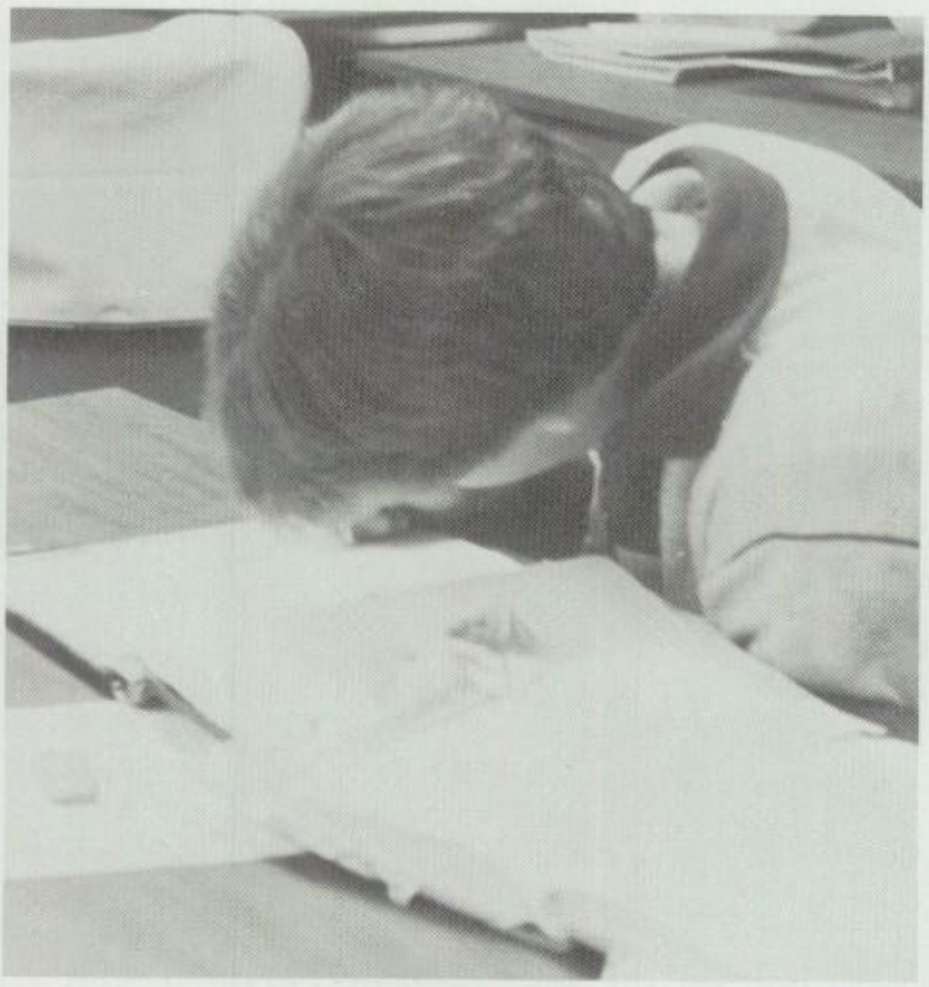
BUSINESS

"Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding." Proverbs 4:7

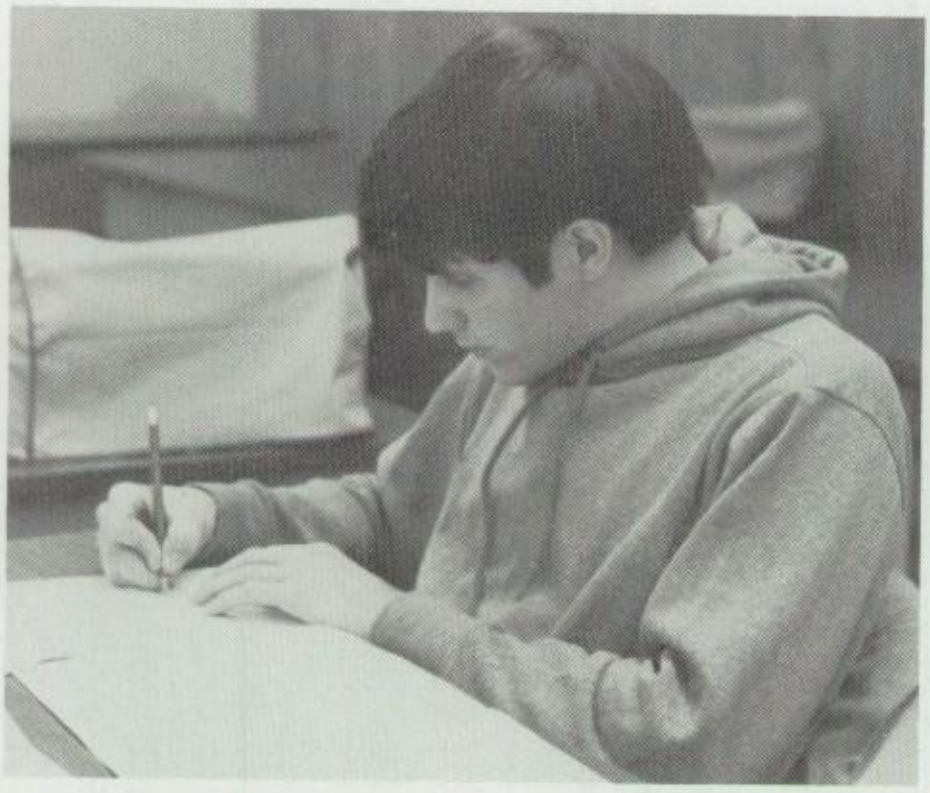
This year the Business Department not only had a new teacher, but also a new course — business math. The students learned how to keep personal records and business-related records. After completing the course, the students are able to figure wages, taxes, and reconcile bank statements.



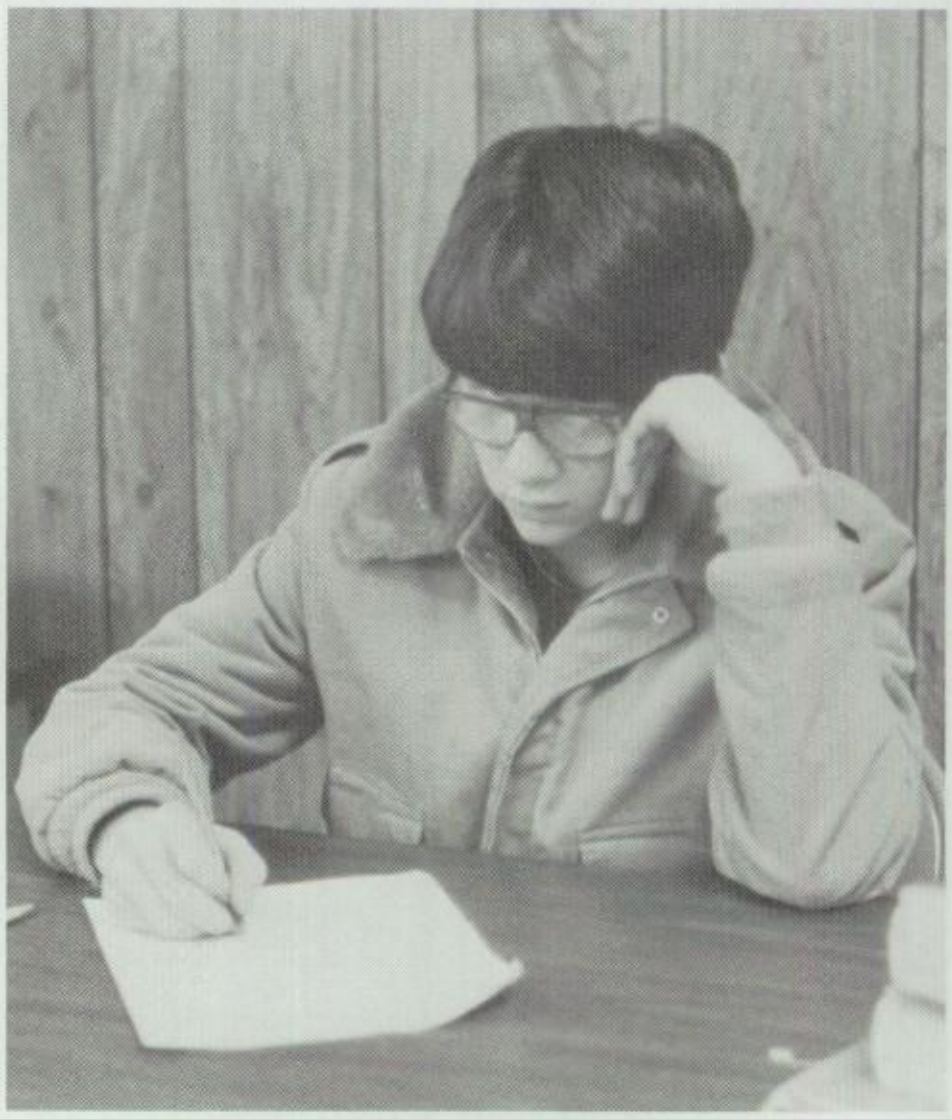
Rhonda Sweet was involved in this year's new business math course.



David tries to get a closer view of his notebook.



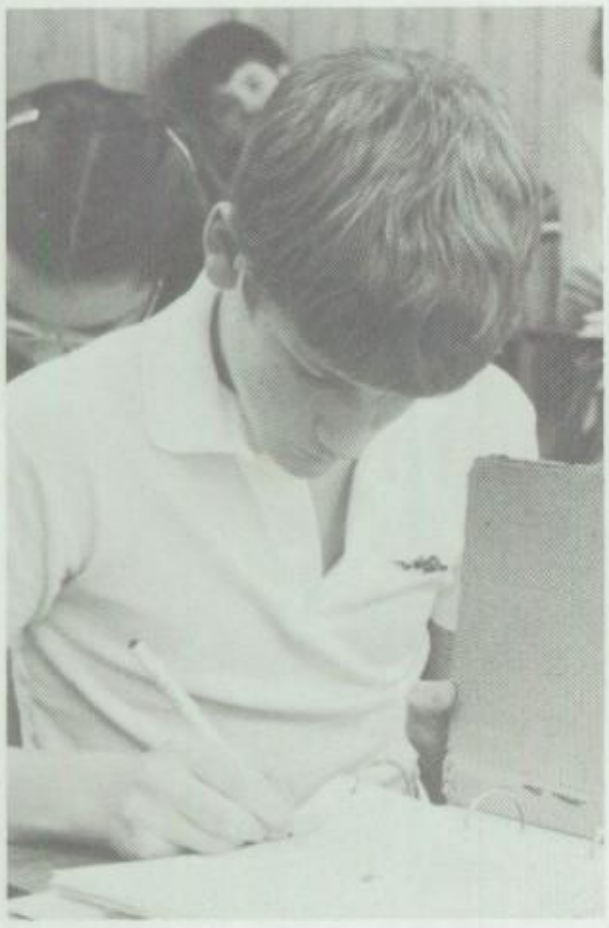
Randy Reather finds that accounting means detailed work.



Eddie isn't too pleased at being distracted by the camera.

ENGLISH

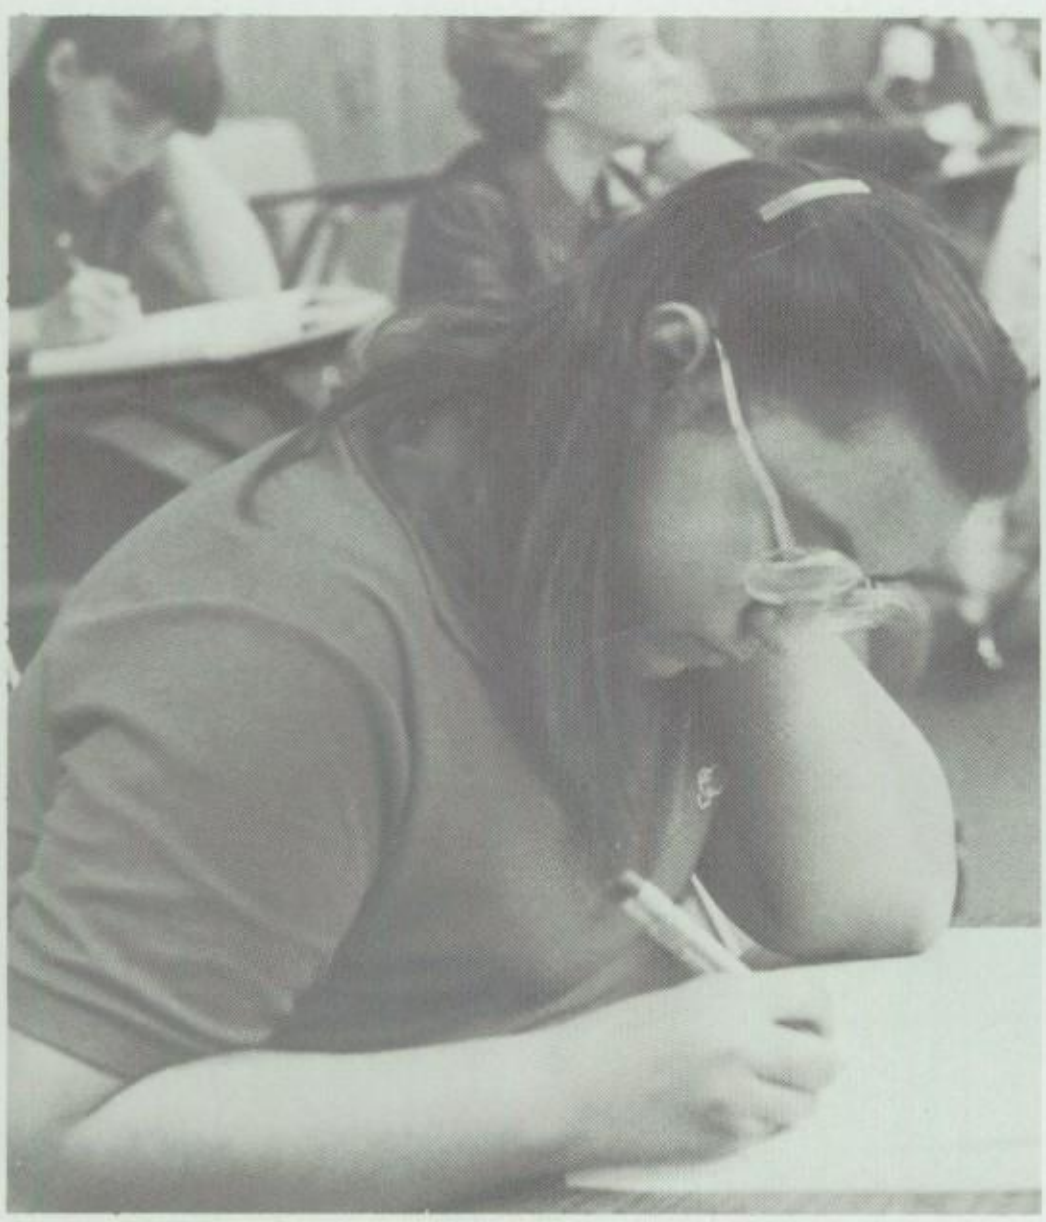
"A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels: To understand a proverb, and the interpretation; the words of the wise, and their dark sayings." Proverbs 1:5-6



This is a rare moment for Randal Barbry — studying.

Brenda receives assistance from Mrs. Shipman.

The emphasis this year in English has been on communication — correctness of grammar, clarity in writing, expansion of vocabulary and appropriateness of language. Recitation of poetry, oral book reports, compositions, vocabulary and spelling review, grammar exercises, and literature study were all keyed to this.



Carol Chitwood deliberates over her grammar.

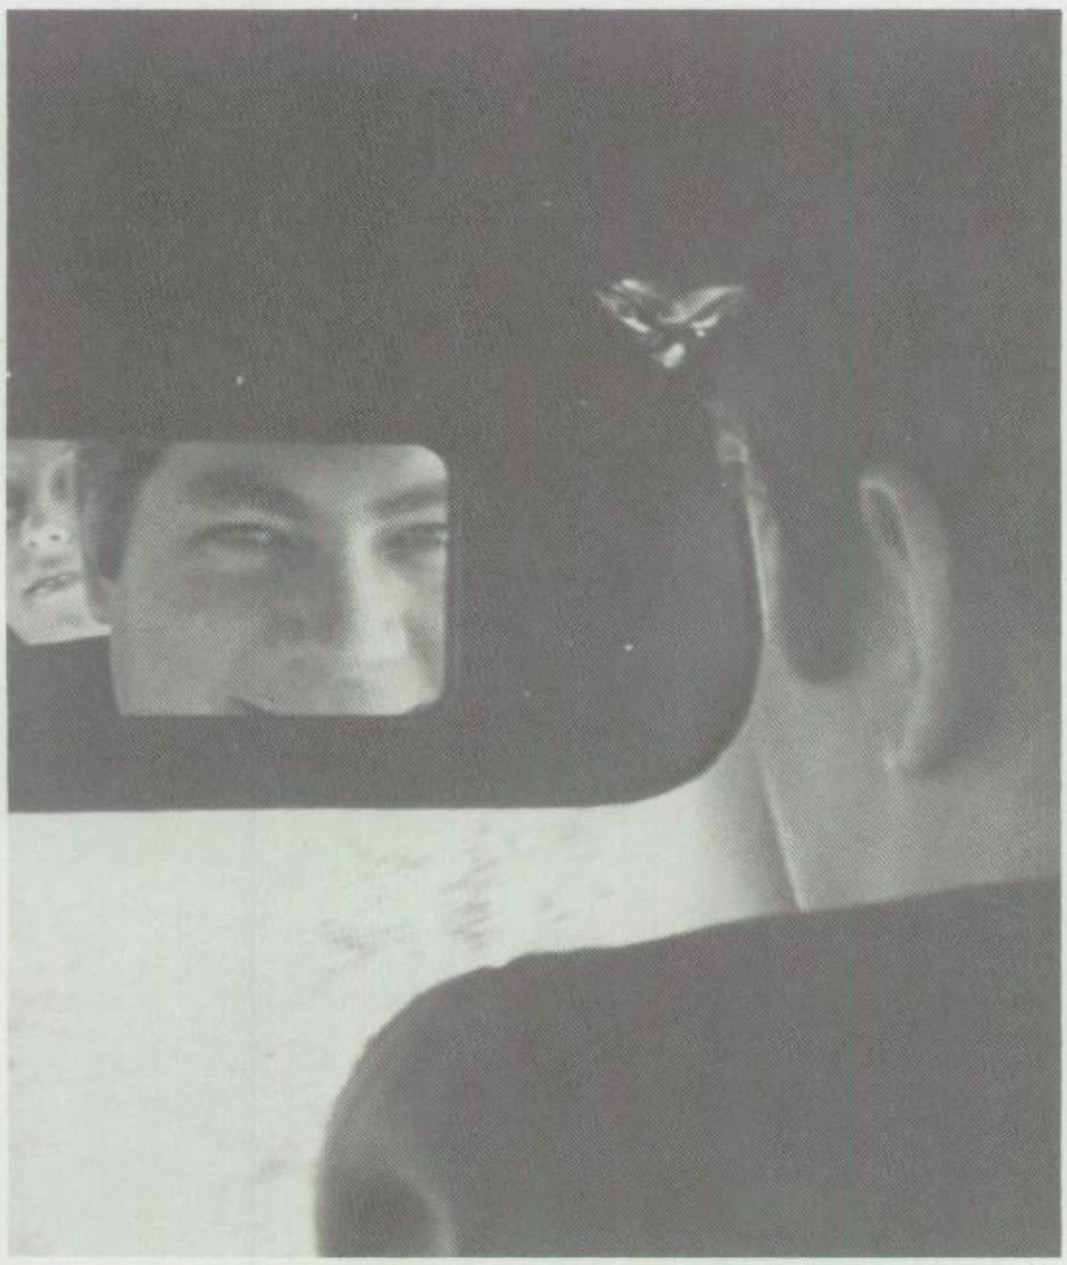
Geri, a new student this year, finds classes different.

DRIVER'S ED

Proverbs 3:6, "In all thy ways acknowledge him, and He shall direct thy paths."

The Driver's Ed car was donated by DeWitt Oldsmobile.

Lee Ann takes the wheel.



Herew's looking at you, kid.

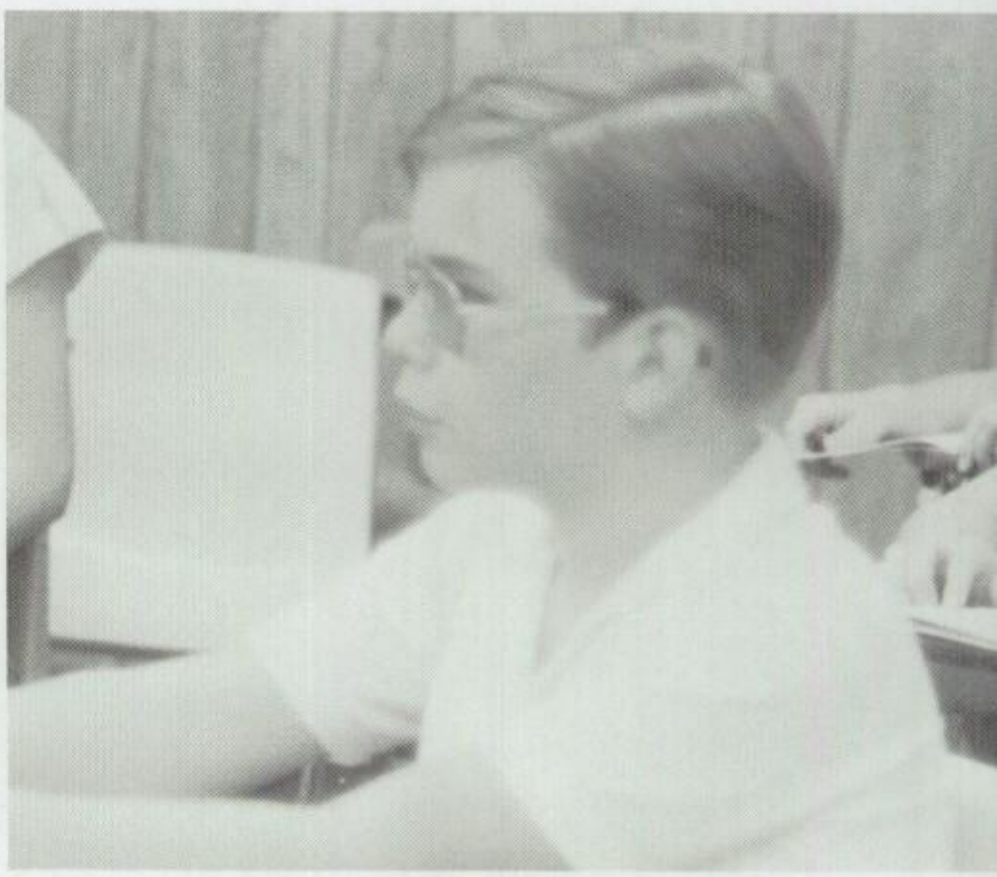
HIGH SCHOOL MUSIC

The junior high choir consists of 15 girls and 1 boy. They had a good sound and sang three-part harmony. During the Christmas holidays they presented some special programs at different places in the community. Mrs. Shatley, the choir director, said, "Since music is mentioned so much in the Bible and most of the book of Psalms is devoted to music, we believe singing should be an important part of our curriculum." The choir members are as follows: Staci Taylor, Gaye Gibson, Wendi Meadville, Meredith Coleman, Kristi Otwell, Don Bell, Becky Beebe, Carrie Cantrell, Michelle Cross, Sherry Haneline, Karen Pierce, Samantha Hashbarger, Pam Johnston, Robin Conley, Michelle Shatley, and Mindi Atwood.

The band members are as follows: Sue Goodman, Stephanie Robinson, Melanie Anderson, Kevin Robinson, Bill Haneline, Mark Lovett, Ronnie Mars, Donnie Dean, Andy Gillson, Randy Reather, Eddie Scates, Christy Bean, Michelle Shatley, and Carol Shaver.

"I will praise the Lord according to his righteousness: and will sing praise to the name of the Lord most high." Psalm 7:17

Meredith expresses her feelings about singing scales.



Don Bell takes choir seriously.

Stephanie, Sue, and Melanie toot their flutes.

The band practices harmonizing.

ELEMENTARY MUSIC

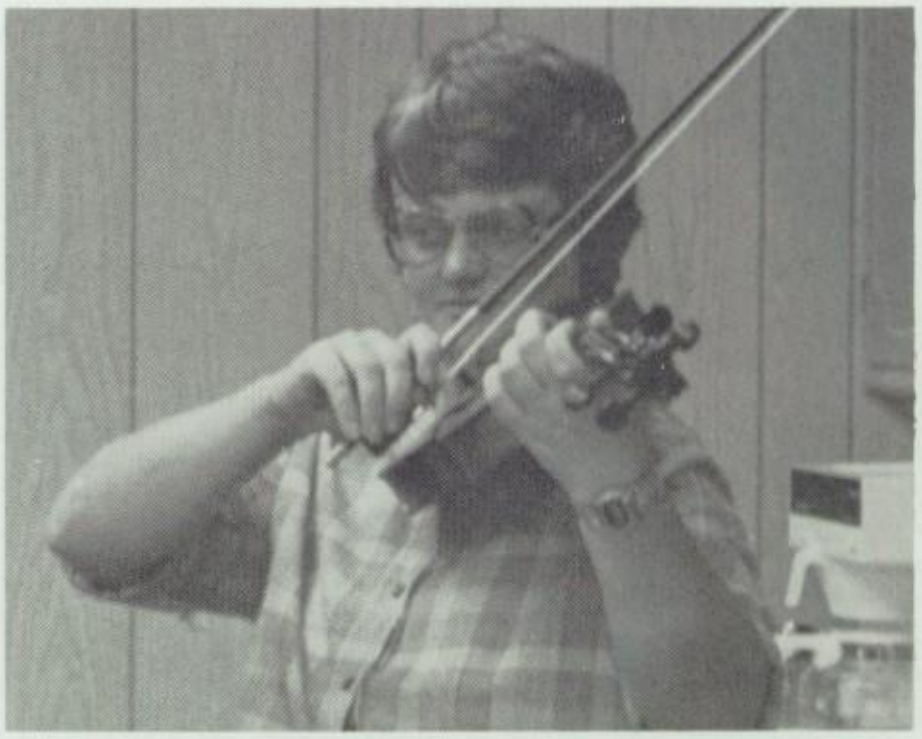
The elementary children started out singing fun, patriotic, folk, and Bible songs. At Christmas the older elementary classes put on a musical drama. In the spring the younger elementary classes put on a program. There was also an instrumental program for the elementary this year. Grade 3 had flutophones, grade 4 had strings, grade 5 had recorders, and grade 6 had Beginning Orchestra. Each class had a Music Appreciation workbook and they also studied music theory, instruments, and composers. "Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord." Ephesians 5:19

Kim Bailey leads the second grade class in singing.

Darell Goff uses his fingers to help him sing.

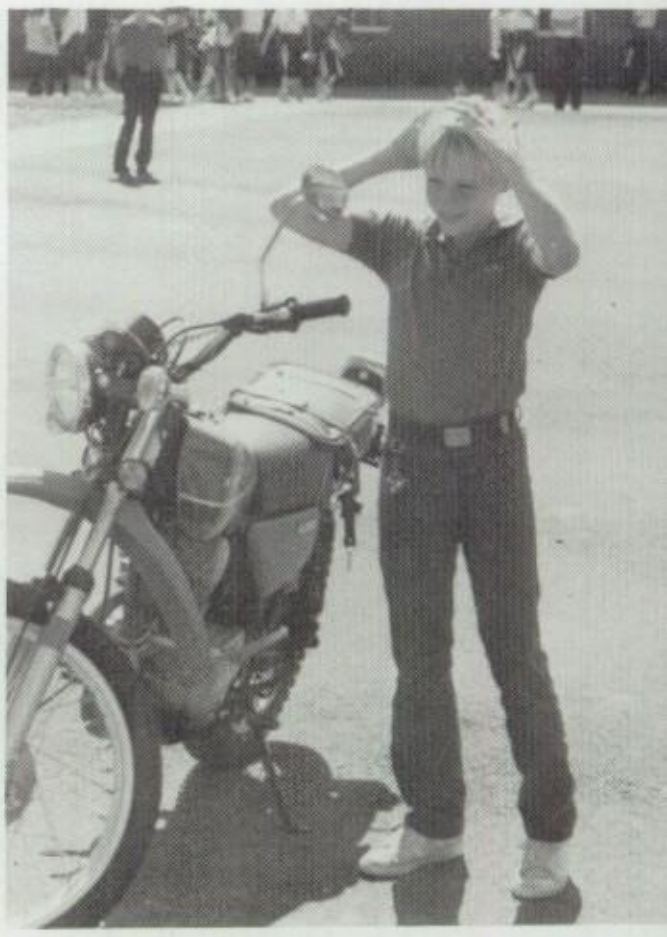
Someday Stephen Beavers will be an accomplished violinist.

The entire class participates when its time to sing.



Miss McLaughlin teaches Beginning Orchestra.

Brian McDonald lends his bear for assistance.



Who is John Wisdom primping for?

Mmm, good ice cream sandwich!

Apparently Jamie doesn't like to be photographed!

Even teachers are absent sometimes.

Mark Asher is in deep meditation.

ORGANIZATIONS

YEARBOOK: *Press Time*

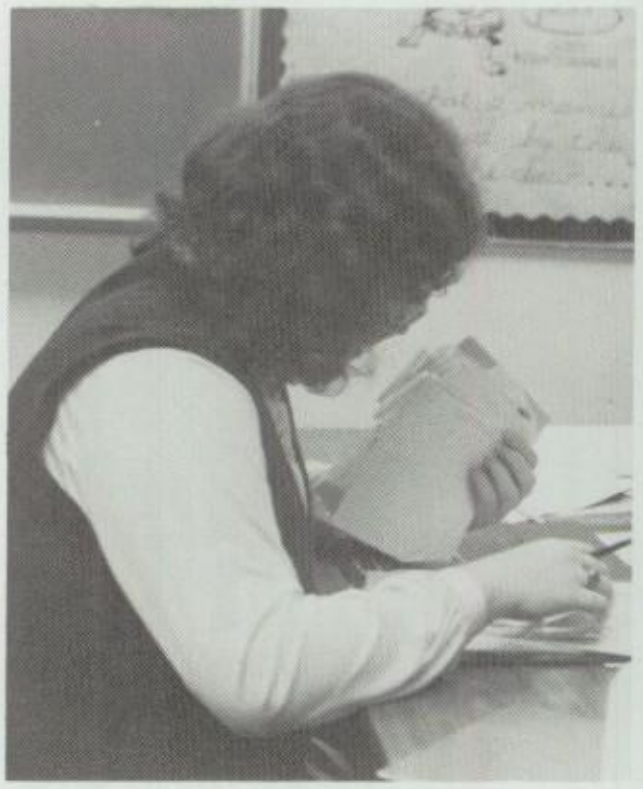
The main goal of the yearbook staff is to put out a good yearbook that all the students will enjoy.

This year's editor was Becky Robinson. She supervised all the work that went on.

Each student on the yearbook staff is assigned a certain number of pages to complete. They are also required to sell a certain amount of advertisements.

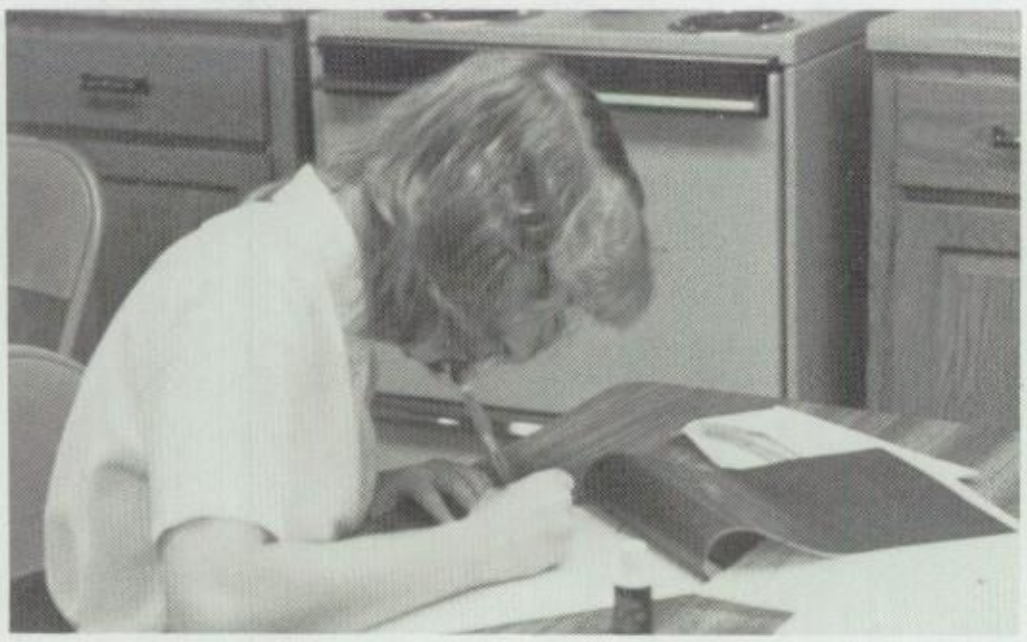
This year's yearbook staff included: Becky Robinson, editor; David Harwood, artist; Brenda Ray, artist; Diana Baker, photographer; Sabrina Fisher; Ryan Coleman; and DeAnn Taylor.

Sabrina finds out that there is more to yearbook than taking pictures.



Becky counts up advertisements for the yearbook.

Brenda decides that Ryan needs some assistance.



Diana finds that liquid paper is indispensible.

DeAnn realizes that finding a certain picture is like looking for a needle in a haystack.

STUDENT COUNCIL

The Student Council is the representative body of the school. David Harwood is the president; Greg Cluck, vice-president; Cheryl Kirkpatrick, secretary; and Becky Robinson, treasurer. The president of each class was a representative to the Student Council. The Student Council sponsored a Christmas banquet and operated the school store.

David Harwood presents Mr. Lindsey with a school T-shirt.

The Student Council is as follows: (seated) David Harwood, president and Cheryl Kirkpatrick, secretary; (standing) Greg Cluck, vice-president and Becky Robinson, treasurer.

Train up a child in the way he should go: and when he is old, he will not depart from it.

Proverbs 22:6

As another year draws to a close, we can look back and remember things that happened throughout the year. A new administrator, new teachers, and even new students were added to the school. We saw new activities started and old ones continued. We saw many people saved and many lives rededicated. Students made new friends and the brotherly love that was shown toward others could be seen everywhere. This yearbook is just one way of recording those memories.

Dear Friend,
(Dana)

I miss you.
How are you doing?
Im fine
not much to say
so I miss
you. Love ya,
Cassie
